Pupil Premium Report
2019 - 2020

Fair Ways School Pupil Premium for LAC 2019 - 2020

At Fair Ways School we have high aspirations, expectations and ambitions for all of the young people that attend our school despite the vast amount of disadvantages they have faced throughout their life journey before arriving to our school and that no child should be left behind. Fair Ways School strongly believes that it's not about where you come from or the challenges you face but your passion and commitment to learning that makes a sense of success or failure and we are determined to ensure that all of our children are given the opportunities to reach their full potential.

Due to the nature of our school LAC pupils can arrive or move on throughout the academic year which can affect the amount of funding received with no consistent amount for each termly payment.

The school follow the good practice guidelines from the Education Endowment Foundation the following categories of evidence apply:

- Access to collaborative learning
- 1:1 learning support
- Behaviour interventions
- Individualised instruction
