Fair Ways Vision, Mission and Values

Our vision
To build a community that changes lives, makes a difference to society and leaves a legacy greater than ourselves and our contributions.

Our mission
To grow a compassionate, resilient, and trauma-informed community, that embraces learning, so that we improve the lives and outcomes of individuals.

Our values
Our values form the heart of the work we do, defined by Fair Ways people, for Fair Ways people. These are the values by which we operate, by which we are governed, and to which we are held accountable.

We therefore expect every individual within the organisation to *play their part*:

PROFESSIONAL	**A**CCEPTING	**R**EFLECTIVE	**T**RANSPARENT
· We do what we say we will. · We approach challenges with optimism and enthusiasm. · We don't judge, we notice. · We put the needs of the service before our own personal gains.	· We don't give up on people. · We value all individuals and are willing to challenge them. · We embrace each other's differences as much as our similarities. · We accept responsibility for our actions.	· We give feedback, we invite feedback, we listen to feedback. · We look inward before we look outward. · We learn as much from our mistakes as from our successes. · We listen to each other, learn from each other and grow together.	· We are always willing to explain why. · We have the courage to be open and honest. · We earn trust through our transparency. · We live by our values even when no-one is watching.

1 Introduction

1.1 This policy is carried out within the context and spirit of the school's vision for outstanding. It supports and reinforces the aims of Fair Ways Education, to support students with social, emotional and mental health needs and students with autism.
